# TERMS OF SALE

This is a Mail Bid Sale, as well as a Public Auction. We act as the Agent for all Mail Bidders and will secure the lot for the Mail Bidder at the next regular advance over the second high bid, whether by Mail or by Person. There is no charge for this service, and in many cases a Mail Bidder will receive a lot at a much lower figure than the maximum authorized. Mail Bids will be accepted until the actual starting time for each Public Session.

All lots offered will be sold to the highest bidder without reserve.

All items offered are guaranteed to be genuine and as listed.

Lots to be mailed to addresses not in the United States of America or its Territories, will be made only at the risk of the purchaser. We cannot obtain insuranee on material sent by U.S. Registered Mail to other countries; therefore, bidders must provide their own insurance or assume the risk of non-delivery. We can obtain insurance for small amounts when shipping by U.S. Air Parcel Post or for larger amounts when shipping by Air Freight through a private carrier. Both Parcel Post and Air Freight require that we furnish a detailed listing of the contents of the package, as well as the price of each item. Since this information is placed on the outside of the package, we feel it only adds to the risk of non-delivery. Foreign bidders must supply full detailed shipping instructions and agree to all terms as listed hereon, before shipment will be made.

Error on the part of the Cataloguer will be cheerfully corrected. Please check your bid sheet carefully, as we cannot accept responsibility for the errors of others.

Postage and insurance will be added to all lots sent by mail. Unless otherwise indicated by the bidder, we will use our own discretion as to whether material will be sent by Air or Surface Mail.

State Sales Tax will be added where applicable.

Terms are Cash. Checks payable in U.S. Funds only, will be accepted from persons known to us, or from those who furnish satisfactory references and proper identification. We must have ample time to check references if they are to be acceptable to us. Payments made by Bank Transfer from foreign accounts must be made in U.S. Dollars to the Account of Jess Peters, Inc., in care of the First National Bank of Decatur, through any U.S. correspondent bank.

Title to all coins remains with the cataloguer until paid for in full.

Material offered in this sale may be examined by appointment only, at our bank, during banking hours through August 7th, and at the Auction Site prior to each session.

Prices Realized lists will be sent to all persons on our subscription plan. Others may order them at $1, and we appreciate payment being made with the request. Lists are usually mailed within ten days after the sale closes.

We normally issue at least 8 Mail Bid and/or Public Auction Sales each year. Sample catalogs will be sent persons requesting them. Free by surface mail or to U.S. addresses. Air service to other countries is available. Please inquire about charges.

CONSIGNMENTS ARE SOLICITED FOR FUTURE SALES.

**JANUARY, 1975** — Miami, Florida For the second consecutive year we have been selected to handle the Annual F.U.N. Auction. This event, being one of the best established and most important Conventions of the Year, provides an excellent opportunity for sellers to obtain a maximum return on both quality U.S. material and Foreign. Consignments will be accepted until early November.

**APRIL 11-13, 1975** — Dallas, Texas This will be our first opportunity to conduct the Auction for T.N.A., and we plan to do it in Grand Style. Both U.S. and Foreign Coins, and we are hoping for an outstanding U.S. Paper Money selection as well. Consignments should be on hand by March 5th.

**JUNE, 1975** — Los Angeles, California For the third time, we are privileged to bring you the Auction for the C.O.I.N. Convention. The utterly Fabulous RAY BYRNE Collection of Cut and Counterstamped Coins, Tokens, as well as regular issue Coins of the West Indies, will be offered in its entirety. Taking Top Billing, of course, will be the extremely RARE 10 Reales of Santo Domingo. The First and Rarest Crown of the Americas, and one of the Rarest and most sought after Crowns of the World. Many other coins, equally as rare and desirable, will present the collector of this series a Once in a Life Time opportunity to acquire a "Unique" item.
